Access to Shannondell Campus

Shannondell is a gated community. Contracted entertainers must notify their Shannondell liaison, two days prior to their scheduled event, of the number of vehicles that will be entering the campus for your event. Each vehicle that enters Shannondell campus will receive a temporary parking pass that must be displayed on the dash.

***Groups arriving in three or more vehicles must park behind the Bradford Clubhouse ***
No more than 30 cars per group will be permitted on Shannondell Campus. We recommend meeting at the Giant across Egypt road and carpooling from there.

Directions for parking behind the Clubhouse:

- Turn into the entrance to Bradford Clubhouse. Make a SHARP left and follow the road to the second stop sign. To the right of that sign, leading down the hill to the loading dock are all authorized parking spots for entertainers. If there are no available spots, you may park along the fence facing Egypt rd. (at the top of the hill)
 - You must be in a marked parking space. Do not park in front of the loading dock.
 - The area to the left of the loading dock is to be used for loading & unloading of heavy equipment only. (10 minutes maximum)
 - No vehicles are permitted on the patio for any reason. White barriers are not to be removed.
 - Parking in any location, other than those noted above, requires permission from an authorized Shannondell staff member
- *Individuals with physical limitations are permitted to park in the front of the Clubhouse with permission from a Shannondell liaison.

Arrival of entertainers and guest speakers and use of face masks:

Entertainers/Groups/Guest Speakers should arrive to Shannondell no later than 45 minutes before curtain. Face masks are optional for all visitors to Shannondell, including, but not limited to, entertainers, guest speakers, and their guests, regardless of vaccination status. This policy is subject to change at any time.
